Subpart B—Eligibility, Certification, and Protests Relating to Federal Small Disadvantaged Business Programs

SOURCE: 63 FR 35772, June 30, 1998, unless otherwise noted.

§ 124.1001 General applicability.

(a) This subpart defines a Small Disadvantaged Business (SDB). It also establishes procedures by which SBA determines whether a particular concern qualifies as an SDB in response to a protest challenging the concern's status as disadvantaged. Unless specifically stated otherwise, the phrase "socially and economically disadvantaged individuals" in this subpart includes, Indian tribes, ANCs, CDCs, and NHOs.

(b) In order for a concern to represent that it is an SDB in order to receive a benefit as a prime contractor on a Federal Government procurement, it must:

- (1) Be a current Participant, as defined in § 124.3 of this part, in SBA's 8(a) BD as described in § 124.1 of this part, program;
- (2) Have been certified by SBA as an SDB within three years of the date it seeks to certify as an SDB;
- (3) Have received certification from the procuring agency that it qualifies as an SDB; or
- (4) Have submitted an application for SDB certification to the procuring agency and must not have received a negative determination regarding that application.

(c) A firm may represent that it qualifies as an SDB for any Federal subcontracting program if it believes in good faith that it is owned and controlled by one or more socially and economically disadvantaged individuals.

§ 124.1002 What is a Small Disadvantaged Business (SDB)?

(a) *Reliance on 8(a) criteria.* In determining whether a firm qualifies as an SDB, the criteria of social and economic disadvantage and other eligibility requirements established in subpart A of this part apply, including the requirements of ownership and control and disadvantaged status, unless otherwise provided in this subpart. Qualified Private Certifiers must use the 8(a) criteria applicable to ownership and control in determining whether a particular firm is actually owned and controlled by one or more individuals claiming disadvantaged status.

(b) *SDB eligibility criteria.* A small disadvantaged business (SDB) is a concern:

(1) Which qualifies as small under part 121 of this title for the size standard corresponding to the applicable four digit Standard Industrial Classification (SIC) code.

(i) For purposes of SDB certification, the applicable SIC code is that which relates to the primary business activity of the concern;

(ii) For purposes related to a specific Federal Government contract, the applicable SIC code is that assigned by the contracting officer to the procurement at issue;

(2) Which is at least 51 percent unconditionally owned by one or more socially and economically disadvantaged individuals as set forth in § 124.105. For the requirements relating to tribes and ANCs, NHOs, or CDCs, see §§ 124.109, 124.110, and 124.111, respectively.

(3) Except for tribes, ANCs, NHOs, and CDCs, whose management and daily business operations are controlled by one or more socially and economically disadvantaged individuals. For the requirements relating to tribes and ANCs, NHOs, or CDCs, see §§ 124.109, 124.110, and 124.111, respectively.

(4) Which, for purposes of SDB procurement mechanisms authorized by 10 U.S.C. 2323 (such as price evaluation adjustments, evaluation factors or subfactors, monetary subcontracting incentives, or SDB set-asides) relating to the Department of Defense, NASA and the Coast Guard only, has the majority of its earnings accruing directly to the

socially and economically disadvantaged individuals.

(c) *Disadvantaged status.* In assessing the personal financial condition of an individual claiming economic disadvantage, his or her net worth must be less than \$750,000 after taking into account the exclusions set forth in § 124.104(c)(2).

(d) *Additional eligibility criteria.* Except for tribes, ANCs, CDCs and NHOs, each individual claiming disadvantaged status must be a citizen of the United States.

(e) *Potential for success not required.* The potential for success requirement set forth in § 124.107 does not apply as an eligibility requirement for an SDB.

(f) *Joint ventures.* Joint ventures are permitted for SDB procurement mechanisms (such as price evaluation adjustments, evaluation factors or sub-factors, monetary subcontracting incentives, or SDB set-asides), provided that the requirements set forth in this paragraph are met.

(1) The disadvantaged participant(s) to the joint venture must have:

(i) Received an SDB certification from SBA; or

(ii) Submitted an application for SDB certification to SBA or a Private Certifier, and must not have received a negative determination regarding that application.

(2) For purposes of this paragraph, the term joint venture means two or more concerns forming an association to engage in and carry out a single, specific business venture for joint profit. Two or more concerns that form an ongoing relationship to conduct business would not be considered “joint venturers” within the meaning of this paragraph, and would also not be eligible to be certified as an SDB. The entity created by such a relationship would not be owned and controlled by one or more socially and economically disadvantaged individuals. Each contract for which a joint venture submits an offer will be evaluated on a case by case basis.

(3) Except as set forth in 13 CFR 121.103(h)(3), a concern that is owned and controlled by one or more socially and economically disadvantaged individuals entering into a joint venture agreement with one or more other

business concerns is considered to be affiliated with such other concern(s) for size purposes. If the exception does not apply, the combined annual receipts or employees of the concerns entering into the joint venture must meet the applicable size standard corresponding to the SIC code designated for the contract.

(4) An SDB must be the managing venturer of the joint venture, and an employee of the managing venturer must be the project manager responsible for performance of the contract.

(5) The joint venture must perform any applicable percentage of work required of SDB offerors, and the SDB joint venturer(s) must perform a significant portion of the contract.

(g) *Ownership restrictions for non-disadvantaged individuals.* The ownership restrictions set forth in § 124.105 (g) and (h) for non-disadvantaged individuals and concerns do not apply for purposes of determining SDB eligibility.

§ 124.1003 How does a firm become certified as an SDB?

(b) Any firm seeking to be certified as an SDB in order to represent that it qualifies and is eligible to obtain a benefit on a federal prime contract as an SDB may apply to the procuring agency for such certification.

(c) A procuring agency may accept a certification from another entity (*e.g.*, a private certifying entity, or a state or local government) that a firm qualifies as an SDB if the agency deems it appropriate.

§ 124.1004 What is a misrepresentation of SDB status?

(a) Any person or entity that misrepresents a firm’s status as a “small business concern owned and controlled by socially and economically disadvantaged individuals” (“SDB status”) in order to obtain an 8(d) or SDB contracting opportunity or preference will be subject to the penalties imposed by
